## Ontime introduces Michael Kors Fall 2015 watch collection to Kuwaiti market

Ontime launches the Michael Kors Fall 2015 watch collection, catering to women and men. The launch also marks the introduction of Michael Kors men's styles at Ontime. The collection was unveiled at a prestigious event held in the Avenues and

was attended by key media in Kuwait and prominent social media influencers Ahmad ASB, Barack Al Moqled, Ascia AK, Lolo Al Aslawi, Fouz Al Fahad, Fatma Al Momen and Dana Tuwairish. The new collection is now available at Ontime

and Ontime Time stylist stores across Kuwait.

The 'Sawyer' is the new series from Michael Kors for women, and is available in four shades including navy, merlot, gray and brown. The sporty-looking Sawyer fea-

tures chronograph movements, polished stainless steel and crystal markers.

The men's 'Brecken' from Michael Kors is a modern sport watch, combining a clean, simplified dial with sophisticated Roman numerals. The

Brecken comes in stainless steel or rose gold-tone with black leather strap. Leather is in fact a key design element for fall, in brown and black shades.

Ontime invites you to come celebrate this elegant collection of time-

pieces. Start the season with a fresh new look by visiting your nearest Ontime store in the Avenues Mall, Marina Mall, Bairaqa, Gate Mall, Awtad Jahra, Al Kout, 360 Mall, Kuwait Airport, Mohalab, Fanar or Discovery Mall.

## Umbrella Wi-Fi solution

## Samsung takes Smart WLAN across verticals at GITEX '15

DUBAI, UAE, Oct 22: Samsung Electronics Co Ltd, a leader in digital media and digital convergence technologies, has launched its suite of enterprise communications at GITEX Technology 2015. Known as Smart WLAN, this umbrella Wi-Fi solution is designed to enable a true, all-wireless network in any business — from transportation and retail to the corporate office space and outdoor.

"Our partners in business are seeking to combine efficiency, speed and performance at work, but in order to do that, they need to overcome the challenges they face with mobile connectivity. Smart WLAN is designed to make mobile networks more powerful, intelligent and versatile than ever before," said Mohammad Gharaibeh, Head of Enterprise Business Group at Samsung Gulf Electronics.

Advancing the company's mission to create elegant connections in business, Smart WLAN redefines mobile connectivity. In Smart WLAN Samsung adapts its expertise in mobile technologies and

its experience in advanced LTE market to provide seamless service during voice calls and video play, and provide greater throughput when moving between Access Points.

The Samsung Smart WLAN system combines high performance AP (Access Points), a WLAN Controller, UC (Unified Communications) solutions and additional tools to deliver faster and more robust networks than conventional ICT offerings.

The suite represents Samsung's commitment to accelerating its global wireless enterprise business solution. Building on more than 35 years of experience in the mobile network industry and committing to R&D, Samsung will continue its history of industry leadership in the development of innovative solutions and global partnerships with mobile operators to implement robust networks.

Samsung's enterprise solutions can be found at Dubai World Trade Center in Hall 6 — Stand #MAX6-5 until Thursday, Oct 22.

## MENAFI award recognises firm's leadership

## Alshaya named best multi-brand franchise operator

DUBAI, Oct 22: International retail franchise operator M.H. Alshaya Co has been named Best Multi-Brand Franchise Operator in the Middle East and North Africa by the Middle East and North Africa Franchise Association (MENAFI). Alshaya received the award this week from His Highness Prince Bandar bin Saud bin Khaled Al-Saud, Honorary Chairman of MENAFI at the opening ceremony of the 2nd Middle East Franchise Exhibition and Forum at the Jumeirah Beach Hotel, Dubai on Oct 20, 2015.

Commenting on the award Omar Al-Haza'a, Vice-President of MENAFI said: "Alshaya has been an innovator in retail franchising for over 30 years and has played a leading role in bringing some of the world's best known brands such as Mothercare, H&M, Debenhams, Victoria's Secret, Starbucks and The Cheesecake Factory to consumers here in the Middle East. Operating across a broad range of sectors including fashion, food and health & beauty, and with over

3,000 stores, cafes and restaurants in its portfolio, Alshaya's scale, together with its proven commitment to operational excellence made them a clear winner in our eyes."

John Hadden, Senior Vice-President of Retail Property, who collected the award on behalf of Alshaya, said that the award reflected the company's unwavering commitment to growth and to providing Middle East consumers with a wide range of shopping and dining experiences.

"The Middle East consumer is brand savvy - they love international brands — and we have worked hard to build franchise partnerships with some of the world's best loved brands in order to bring an exciting choice of well-loved cafes, stores and restaurants to our customers across the region. We are delighted to receive this award which recognises that commitment and which celebrates the strength of franchising in the Middle East."

The MENA Franchise Awards for Excellence in Franchising are designed to recognise exceptional performance in franchising, with the goal of encouraging operators to raise the bar on service and their offering.

## 'Bay'a'a' a different movie

## Al-Fahad working on film script

KUWAIT CITY, Oct 22: Popular Kuwaiti actress Hayat Al-Fahad says her work in the upcoming movie titled 'Bay'a'a Al-Nakhi' will be different from her previous works, indicating that, with this role, she has returned to writing after a long break, reports Al-Rai daily.

She affirmed that she has already started writing the script of the movie, which will be shown exclusively on OSN, explaining that this work combines social, humanitarian and drama aspects. The casting of team is ongoing

currently after which the shooting of the movie will begin.

Al-Fahad stressed that the storyline is classic-based due to which a building with traditional architectural and interior design and accessories will have to be built because of the lack of a readymade set for shooting the movie.

Regarding the actors who will participate in the movie, she revealed that she had asked Mariam Al-Saleh to be a part of the team but the latter said she will inform later after the team and the storyline is completed.
