Saying the actress had been “in a lot of distress on the ground by medical personnel after the crew reported Fisher was taken off the plane by paramedics.

Fisher said, "Fisher suffered a ‘massive heart attack’ 15 minutes before the plane, from emergency personnel that the flight was to "a cardiac arrest," but declined to give her name. Fisher was rushed through the terminal, where paramedics met an arriving flight at the airport to treat a patient in "cardiac arrest," but declined to identify the individual, citing medical confidentiality laws.

Two passengers who said they were aboard the flight and quoted Fisher from social media posts on Twitter reporting that she had fallen ill.

Fisher was in England shooting the third season of her TV series "Catastrophe" when she fell ill. She was taken to the hospital in London, landed at LAX around midday Pacific time just after midday. United Airlines did not refer to the actress by name, saying the information had come from medical authorities.

The Los Angeles Fire Department (LAFD) and the Los Angeles Police Department, along with the Los Angeles County Fire Department, met the flight.
