KUWAIT CITY, Nov 7: Kuwait Air-ways, the national airline of the State of Kuwait, has today announced that it will be exhibiting at the World Travel Market (WTM) being held in London from Nov 7-9.

"This will be Kuwait Airways’ second time standing at the world’s second most influential travel industry event, which is the perfect opportunity to network with our travel industry partners and demonstrate our wide range of products and services," said Rasha Al-Khaled, Chief Commercial Officer of Kuwait Airways.

"Focusing on our continued growth and development, Kuwait Airways is excited to announce its participation at the event. Over the past few years, we have witnessed record-breaking performances, driven by dedicated efforts to provide high-quality services to our passengers," she added.

"The participation at the World Travel Market 2016 will be vital to Kuwait Airways as it opens new horizons for the market. This year, we have focused on our brand image and look to further build our reputation within the sector," Al-Khaled concluded.

The summit brings together carbon managers, existing buildings, renovation of all types, including new constructions, existing buildings, renovation of all types, including new constructions, and existing buildings. According to the organizers, WTM 2016 will facilitate approximately GBP 2.5 billion (KD 97.3 million) worth of business deals.

"Celebrating another milestone moment, we are delighted to showcase Kuwait Airways and its continued growth and development," Al-Khaled added.
