Pinoy Arabia FM DJs with The Next Episode Crew during the Station ID shoot. 

GUST Foundation Program Director and TESOL Kuwait's President, Dr Ilene Winokur, for her dedication to this unique conference. Through this event, TESOL Kuwait has made itself able to equip the local community, and create a world of opportunities, to attentively listen and learn English.

GUST is a non-profit organization of teachers of speakers of other languages. This year's theme reflects on the necessity of new designs, approaches, and methods of language teaching; fostering the exchange of ideas, research and peer-to-peer professional development in the field of English Language Teaching; Solutions; as well as a talk about the color vowel chart as a tool for teaching pronunciation also included.

Kenyon is an international organization of teachers of speakers of other languages affiliated with the US-based TESOL International Association. Kenyon has over 34,000 members worldwide. TESOL seeks to improve the teaching and learning of English, and connect to native speakers of English. It is a}
