# Charlotte Tilbury makes dazzling Middle East debut

KUWAIT CITY, Oct 26: Charlotte Tilbury, the world's number one makeup artist, has officially opened her first store in the Middle East, and her first standalone Beauty Wonderland outside the UK, in partnership with international retail franchise operator M.H. Alshaya Co.

Charlotte Tilbury was in Kuwait to cut the ribbon for her stunning new store, in Grand Avenue, The Avenues, together with Alshaya's Executive Chairman, Mohammed Alshaya and Michael Davenport MBE, British Ambassador to the State of Kuwait.

At 240 sq m, the flagship two-storey store is the brand's largest in the world, and blends cutting-edge digital innovation with luxurious interiors.

The Charlotte Tilbury experience includes sumptuous store designs which are synonymous with the brand — deep, night crimson velvet sofas, ornate, rose-gold art-deco light fittings and old Hollywood-style vanity tables. Using the latest technology, the store offers the first-of-its-kind Magic Mirror to help customers explore in seconds which of Charlotte's 10 iconic looks they want to discover.

Charlotte Tilbury said: "I am so thrilled to be back in Kuwait — it is a dream come true to officially open my first Ever Beauty Wonderland

On the evening of the launch party, for one night only, Charlotte's new, record-breaking, Instant Eye Palette was

available for purchase exclusively in store for one night only. Due to huge, universal demand — which saw over 30k join a waitlist — Charlotte surprised and delighted fans by bringing forward a limited quantity for a 24-hour pre-sale. The palette has returned and guests were amongst the first to buy the palette in the Middle East where the limited quantity will be available to buy for one night only.

Following the successful Kuwait debut of the brand, Charlotte Tilbury will also be opening a store in Doha, at the end of October 2017, with her highly-anticipated Dubai store scheduled to open early in 2018.

To celebrate the launch, Charlotte Tilbury has unveiled a new campaign of the 10 looks featuring digital influencer and model Cindy Kimberly (@wolfiecindy).

In such cases, ECs are issued to them after cancelling their passports. However, in certain cases, they recover their passports later and travel on those passports which already stand cancelled in data available with immigration authorities in India. These passports are immediately seized by Immigration authorities in India. This results in much harassment and inconvenience to these Indian travelers, whose passports are seized. They are also
