China said on Sunday it welcomed the suggestion of a visit. President Donald Trump last month approved steep tariffs on tens of billions of dollars of Chinese imports, while Beijing has slapped duties on key US agricultural products. Businessmen have repeatedly urged member countries to avoid protectionism.

Washingston, April 22: US Treasury Secretary Steven Mnuchin announced he was considering a trip to Beijing to hold trade negotiations.

The US Treasury Secretary Steven Mnuchin has raised the possibility of a visit to China to address trade tensions.

Among 18 bilateral meetings taking place this week, with one official saying the discussions were really about IMF concerns. And IMF President Christine Lagarde said on Friday that she would

It will also allow Mexican companies to sell more in the United States, including lower tariffs and protections for American technology.
