CSC adopts new mechanism for recruitment of expat teachers

KUWAIT CITY, June 14: The Civil Service Commission (CSC) has adopted a new mechanism for the recruitment of expatriate teachers as part of procedures to develop the educational system, reported Al-Dschabal daily.

Directors told the daily that the CSC has asked the Ministry of Education to set the conditions for hiring expatriate teachers, such as the minimum academic mark of the applicants should be "very good".

The CSC also stressed the need for the concerned authorities in Kuwait to succeed the academic qualifications of applicants, adding that the conditions required for the academic qualifications obtained abroad should also be authenticated by the Ministry of Education.

The CSC clarified the alterations mentioned are the negotiations are being held for the first time, while decisions are coming from these conditions.

Meanwhile, Assistant Secretary of the Ministry of Administrative Affairs at Ministry of Education, Farouk Al-Adwan announced that the Foreign Recruitment Committee will leave for Palestine next month to select candidates for the 2018-2019 school year reports Al-Dschabal daily.

He said the ministry is coordinating with the Civil Service Commission and the Ministry of Education for obtaining the approval of the government to select 750 expatriate teachers based on the requirements of the Republic of Public Education.

Al-Dschabal was addressing questions on the status of procedures organized by the Palestinian Embassy, in honor of outstanding high school students from the Palestinian community.

He explained that the ministry, in cooperation with the Civil Service Commission, is discussing with the Palestinian teachers in Kuwait, the setting up of the committee on coming of their presence after a number of meetings with the Ministry of Education in the past.

The committee, which is a part of the same committee that carried out the procedures for obtaining the approval of the government to select 750 expatriate teachers, has recommended fixing the net profit per horse is 100 rupees.

Kuwait horses were considered one of the best breeds in the world due to their size and stamina. As for the sale prices in Bombay was up to 100,000 rupees, which means that the net profit per horse is 100,000 rupees. hoses sold in Bengal were worth up to 1,000,000 per horse. One of the most known horse dealers in Kuwait was in the past was die (Shuhna bin Humoud), who did not stop his passion for Arabian horses since the 19th century.

Kwaeem Al-Shateek used to manage and sell Arabian horses. He also received some horses directly from caravans from Persia and sold them to British and French buyers. His business included breeding and trading.

Al-Dschabal also mentioned that annual reports on the total number of Arabian horses sold in Kuwait since 1954 as a place to entertain citizens, as well as the number of Arabian horses sold in Kuwait in the past was up to 900,000.

Kuwaiti horses were used in horse racing and sport. Grades were known as "Kuwaiti Arabian breeders" as a breed that is known for its size and stamina.

Koovs: Kuwait adopts new mechanism for recruitment of expat teachers

The Ministry of Education has started the recruitment of foreign teachers for the academic year 2018-2019. The ministry has adopted a new mechanism for the recruitment of expatriate teachers to ensure the selection of qualified and experienced teachers who meet the requirements of the educational system.

The new mechanism includes the following steps:

1. The Ministry of Education will announce the vacancies and the requirements for the recruitment of foreign teachers.
2. Interested candidates must submit their applications along with the required documents and certificates to the Ministry of Education within the specified deadline.
3. The applications will be reviewed by a selection committee to determine the eligibility of the candidates.
4. The selected candidates will be invited for interviews to assess their teaching skills and qualifications.
5. The shortlisted candidates will be recommended to the Ministry of Education for final approval.
6. The approved candidates will be appointed as foreign teachers and will be assigned to specific schools.

The new mechanism aims to ensure the selection of qualified and experienced teachers who meet the requirements of the educational system. This will help improve the quality of education and keep pace with the evolving needs of the students.
