An evening of fun and excitement

HOPE School holds 'Carnival of HOPE'

KUWAIT CITY, March 18: HOPE School held its "Carnival of HOPE" on March 14.

Students and their parents along with staff and friends were all invited to enjoy an evening filled with games, performances, face painting, cartoon characters and much more. Balloony Land organized various shows on stage as well as conducted many competitions and raffle draws

that were held throughout the evening.

The "Carnival of HOPE" bigger and better than ever provided an opportunity for HOPE School to show its gratitude to all the families, staff, and community organizations that support special needs students in Kuwait.

This event could not have been a success without the help and con-

tributions provided by our sponsor Boubyan Bank which was presented with a plaque of appreciation by Abdulghani Khalid Al Ghunaim, Chairman of HOPE during the event.

HOPE School was once again able to fulfill their goal of creating an evening of fun, friendship and excitement for all their students and friends.
